

Barbara Estes

January 7, 1935 - November 29, 2019

Barbara L. "Barb" (Gamba) Estes, 84, of Topeka Kansas, passed away peacefully November 29, 2019, at 10:30 in the morning surrounded by her family, at Lexington Park in Topeka after a five week stay.

Born January 7, 1935, at home in Osage City, Kansas, Barb graduated from Osage City High School in 1952 and from Saint Francis School of Nursing in 1955. She married Jerry H. Estes on September 12, 1956, at Saint Patrick Catholic Church in Osage City. During her career as a Registered Nurse, Barb worked at Saint Francis Hospital as a medical/surgical floor nurse, was the school nurse at Holy Name Grade School, worked nights as the full care nurse supervisor at the United Methodist Home, was an office nurse for Dr. William Lentz and worked at Saint Francis Family Medicine, 6th & Jewell Clinic with Dr. Roy Hall, Dr. Dan Magee, Dr. Carole Ludwig, and Loretta Hoerrman, P.A.

Barb was member of Holy Name parish since 1956; she was a member of the Rosary Circle since 1964, served on the Altar Guild, was a Eucharistic minister, counted the weekly collections, and lead the rosary before Saturday evening Mass. She served on the parish council as well as the city-wide parochial school board. A Girl Scout Leader from 1964 to 1979, Barb's troops set cookie sale records every year, ensuring funds for annual campouts and other activities. In 1979, Archbishop Hunkler presented Barb with the St. Anne Award in recognition of her contributions to the spiritual development of Catholic members of girls' organizations. Barb and Jerry were proud to receive the Lifetime Achievement Award from their parish in 2015.

Barbara was proudest of her marriage to her husband Jerry of 63 years, and of her kids, grandkids, and great-grandkids, her work as a nurse and a scout leader, and how she figured out a lot of things beginning from a very young age in running a home and caring for loved ones.

“ I was always blessed when i encountered Barb--whether it was as a patient or as a co-worker at St. Francis or on occasion when I would stop by her home. When I trained with Tony, I would stop by her home for a water stop on a long run and she and Jerry would welcome me, encourage me, and send me on my way to finish the run. She was always a joyful volunteer at the Rescue Run and it was a delight to visit her smiling face. May God bless the family with His comfort.

“ I worked with Barb at St Francis Family Med on Jewell, she was so easy to talk to, her heart kind, caring and loving, She was serious but also gentle, I remember always being able to come to her for anything and she always had an answer and was so helpful.

She will be missed, and heaven sure did get a wonderful, amazing soul.

I'm so sorry to hear of Barb passing, my thought and prayer are with the family,

“ Mrs Estes was our little league team score keeper, always present right behind the back stop. I can still hear it like it was yesterday. After warm ups and the other teams first batter came up “OK TR, rock and fire”. God bless her and all of our childhood friends that were her family.

“ Mrs. Estes was my mother's very good friend and my scout leader. I will always remember her telling us "If you don't be quiet and go to sleep, you will be digging a latrine" on overnight campouts! Rest in peace Barb, you deserve it. Much love,

“ Aunt Barbara was always the "go to" aunt for any sniffle or weird ache! She always had an answer with her practical and level headed wisdom- and yet so funny! She was the Gamba girl that could cuss best in Italian! There was no doubt she loved her family and was a matriarch in the truest sense. She would laugh at mom and her simple view of the world, but she loved her big sister! I will really miss Aunt Barbara. And at this time of year? It will be first time I won't get a handwritten Christmas card. But she will be celebrating the Lord's birth in heaven. May the perpetual light shine upon her and may she rest in peace.

“ Forever remembered as a mentor for me even if I wasn't a nurse. Always wanted to be like her. Used stories about her years after we worked together to inspire nurses. Loved her compassion and Italian temper. A very good woman.
