“ Sending love and hugs to you Vickie, Kellie and all the rest of my cousins. Bernie was one of the kindest men I have known. I can never say thank you enough for his and Betty's love and concern for my parents when they were in the nursing home. They visited every day!  
I was even in their wedding:) (Betty was my first cousin.) A 13-year old junior bridesmaid trying to walk down the aisle in high heels!! (Little Ginny Pritchard was flower girl).  
Prayers for all of you. Will be joining online.

“ Vickie and family I am so sorry for your loss. It is always hard to lose a loved one. I do remember seeing him motor around in that hat and on his yellow scooter. I would always smile.. Please accept my sympathy and I am sending prayers.

“ Our condolences to the Hopkins family from the Vic Miller family. I worked at BNSF with Bernie for over 40 years. We played golf together with Charlie Gunther at Topeka Public Golf course on Saturdays and Lake Shawnee, Alvamar in Lawrence, Lake Quivera in KC and attended a Jack Nicklaus and Tom Watson exhibition at Topeka Country Club. We spent hours looking for golf balls like they were Easter eggs. Bernie was always a joy to be with and is greatly missed. Vic and Janica Miller

“ Bernie was a really nice neighbor. We visited about our lawns, our mopeds cars in general and the Chiefs and Royals. I always joked with him about selling me his Mustang, but he always put BMW prices on it!! He was a really nice guy. Rome Mitchell

“ Bernie was a wonderful friend with my brother, Bob Johnson. They had many things in common, going to HS together, working together, woodworking, a genuine friendship. You might say "they were like two peas in a pod"! Vickie and Kelly, I am so sorry for your loss. Bernie was a very fine gentleman, who will be missed by so many.
