“ Dear Harriet's Family,  
I was so glad I was able to attend her service. I was unable to visit with you that day as I had to get back to work. My mother, Ruth Houser, worked with Harriet in Dr. Hutton's office for years. Mom considered Harriet such a good friend. The 4 ladies (Mom, Harriet, Joann and Mickey) would often go out for lunch and when I was available I would join them. Such a special group of women! And even after the office closed they would get together for lunch once a month. My mother passed away in 2013 and so I had not seen Harriet for several years. I know that Harriet will be missed by her family and so many others as well.
