“ Dear family and friends, so sad to hear about Jack. He and I use to run around a lot at the end of high school and a short time thereafter. We would see each other once awhile around town and catch up on old times and new. I remember there is one thing about Jack, he was very meticulous about his car and it's cleanliness, and I would give him grief about it, and he would usually reply: the day you see this car dirty is the day I die or something to that effect. I will miss him. He was a good friend.

“ Brenda and family, this past year has been hard on everyone and especially for Jack. He has fought so many battles with his health over these last few years and we had always prayed he would win them all. We enjoyed being friends and neighbors and spending time together. We appreciate being treated as a part of the Freeman Family. Golfing with Jack was always a fun time especially when we made it a threesome with Rich. Lots of great memories and stories to be told. Jack was full of life and made lots of friends. Was never at a loss for words and always had a smile on his face. I hope they have good TV reception in heaven as I'm not ready to go help him with the wiring yet... May Peace be with you and your family and know we are thinking of each of you...Glenn and Suzann Whitt
