“ I remember your Mother's beautiful voice as your Dad played piano and Mary sang. What a wonderful pair they were. Family was everything to them.

May your happy memories sustain your family at this time.

“ Mary and Delbert lived next door to us. They were fabulous neighbors. My husband is handy and he helped with projects at the Tolbert house. The neighborhood is not the same without them.

“ When one marries their spouse, they may not realize they are marrying into their family as well. It's something I found out rather quickly when I married Mary's daughter Cindy. I know Mary helped raise those four kids who have turned into four amazing adults. One saying rings true to me right now, " it's not what you take when you leave this world but what you leave behind". Mary left a lot to be thankful for. Four amazing children and all her wonderful grandkids and great grandkids! I found the love of my life and have been so proud and blessed to be part of this family. I can't imagine any better group of people to call family! Thank you Mary, you will be missed but will be in our hearts forever.

“ Mary would come to coffee at Radina's Coffee Shop in Manhattan, Ks around 8:00 to save a table for her coffee friends. She would make sure there were enough chairs, but I knew she really wanted the large round table my group was using. It was fun to catch her eye to know I would try to hurry up the conversation so Mary's group could have it. What a caring and loving person Mary was for a friend. Sincerely, Jan Gibbs

“ Mr. and Mrs. Liotta:

On behalf of Topeka Public Schools, our sincere condolences are extended. You and your family are in our thoughts and prayers as you go through this difficult time. The tremendous love and grace observed in both of you and your family members (who I met at Mrs. Liotta's retirement event) are a living legacy of Mrs. Mary Tolbert's life and impact. What a tremendous impact she had on the world and continues to have through all of you.

Take solace in your family as you reflect on positive memories with your mother. Find peace in the stories and in passing on family traditions that were important to you that your mother passed along. Be assured that your extended Topeka Public Schools family, as well as your Quincy school family, is thinking of you during this difficult time.

Again, please know my thoughts are with you. While I never met your beloved mother, I am certain by the dedication you and your family members have made to decades of educating and serving, you are a testament of the values and virtues instilled by her example. May your positive memories of your loving mother bring you healing, comfort, and solace.

With Deepest Sympathy,
Dr. Tiffany Anderson

“ Susan and Jim, unfortunately I never met your mom and sincerely wish I could have. Anyone who raised such a lovely person as you are, Susan, and who was a Chiefs and Royals fan and who was an artist in photography, jewelry making, and watercolor painting could certainly relate well to Jim. In addition she could wallpaper? What a Renaissance woman who could, in addition to all those talents, play jacks. You all must have loved this mother absolutely and always. You might miss her terribly but she left a legacy that will never disappear. You and your family do have my sincere sympathy and condolences. Love to you.
