“ Dan Crow and I smile thinking of working with "Muck" and Sue at Kirk & Cobb, Inc., REALTORS back in the day. But, most of all, we are in debt for great lessons gleaned from Muck's expertise in fitness and nutrition. He taught us a lot that still serves us well today. #StillGrateful

“ Merwyn was one of my classmates at Hayden in the class of 1950. He was a kind and gentle soul. I was always happy to see him wherever and whenever. All of you in his family should be proud of his sincerity and steadfastness. May he leave you all with many memories of peace and love.

“ Sue, we are so sorry to hear of Muck's passing. You both were great neighbors and Lee has many good memories of Muck on the Fire Department - plus the yearly picnics to catch up on everything. We won't forget we bought our first house from him! Condolences to you and your family.

“ Kathy,
I have such fond grade school memories of spending time with your family. Your mom and dad were always smiling and laughing. There was a lot of love (and boys!) in the Muckenthaler home. I'll cherish those memories. My thoughts and prayers will be with you on Friday.
Hugs to you, your mom, and brothers.

“ Condolences to all the family.

“Muck” and I have a long history that started with my hiring by the Topeka Fire Department in 1972. When Muck was transferred out of a fire company to start the department’s physical fitness program (Get lean and mean with Muck and Chuck), that created an opening in the department that facilitated my being hired.

A few years later, I was stationed at #8 Fire Station where Muck was stationed on another shift. Muck was running to work every day and encouraged me to start running, which I did. I continued running up until now, where at the age of 74, I continue to run every day and compete in many races. Having experienced a heart attack and open heart surgery last year, I credit Muck for probably saving my life because of the love of running he instilled in me.

I have included a picture of Muck and myself when we were together for the last time in 2014 when he and Sue came to cheer me on during the Kansas Senior Games qualifying race for the National Senior Games.

We all will surly miss Muck.

“ Sue and Family, so very sorry to hear of Muck's passing. You were both such great neighbors to us. Muck was always willing to dive into whatever project we had going on, especially trimming trees! I also remember the big leaf piles that you let our boys jump into. We will be praying for you.
