“ I'll always remember Bob as a close friend during our four years at La Salle. We shared many classes and as most professors sat the class in alpha order, Bob always sat right behind me. Bob was a great classmate, teammate and friend during those years. We kept in touch after college and when I accepted a job in Boston we continued to see each other. One of my fondest memories was taking a "road trip" to Canada with Bobby during the summer of '74 or '75. Bob was a good friend. Sympathies to your family and RIP my friend.

“ So very to read (in the ProJo) of our classmate Bob's untimely passing at such a young age; and it's way too young as mine is the same ! We were both proud graduates of La Salle Academy, members of the great class of 1969. He was a great guy, a good student, a gentle man, a gentleman's gentleman, and a true 'class act'. May he rest in peace and may his family be comforted by fond memories, loved ones, and the knowledge that Bob's life certainly did matter, as he indeed left this world a bit better for having contributed to peace among us. As he/we said so many times at La Salle: "Live Jesus in our hearts, forever". R.I.P., Robert Hannon, thanks for making a difference and enriching our lives.

“ To Bob’s family I want to share my memories of one of my very best childhood friends. He was a fine man I’m sure even though I hadn’t seen him in decades. We loved basketball(we lost the Providence city CYOMidget Championship in triple overtime (we all cried) Ping pong, baseball, hanging out at the Elgin Drugstore corner , (often running from the cops , nothing bad, just teenage mischief) ,steeped in the great music of the time, trying to stay out of trouble. He came from a wonderful, loving , generous and kind family. Mary and Gene welcomed us kids to their house with open arms. I could go on and on about those days but I’m sure Bob led a good life and brought love and laughter to all those who were lucky to know him. Love and best wishes to all his family and friends in this time of grieving and loss. Rest In Peace my brother Bob

“ Oh how I’m going to miss Bob. I loved his sense of humor and knowing that he was Marcia’s rock. The last time I talked to him was Jan 1, he spoke of my Dad and he told us to come visit more, he gave me a big hug. He was such a nice, humble guy that we will miss forever. Love you Bob.
