“ My Grandma Betty dated Will for 37 years until she passed in 2010. Will lit up every room with his terrific smile and those baby blue eyes! He was such a kind man, so good to my Grandma and to my entire family. I will always remember being on his pontoon boat and him having his 2 beers Going polka dancing with him and my Grandma. Going to church with him and seeing him in his usual spot at my Grandmas, in the rocking chair, maybe having one beer, smiling, possibly taking a doze and then he would go home. We were blessed to have known him and his great smile. My sympathies to all of his children, family members and to anyone that had the pleasure to know Will.

“ Uncle Will Konrade rest in peace. I loved spending time as a child riding on the pontoon boat, and your sister Dolores really enjoyed the crappie fish we would make when you sent home buckets you caught at lake Perry. Let's not forget that old bus you made into a camping adventure, and picking us up in Kansas City on our return to the US from the Philippine Islands.
