“ *I will always remember Adeline with grace and dignity as she mentored many young people years ago in judging gymnastics. I learned so much from her, and always looked forward to working with her. May her family remember special, cherished memories of this beautiful lady in the difficult days ahead. She was a one of a kind, wonderful lady.*

“ *I remember going to her house a few times when I was little...she was so nice and will always be 'Aunt Adeline' to me. I'm grateful to wonderful sweet women like her in my life as I grew up and I know my mom (Judee) loved her as well and is sad to hear the news. My condolences to everyone.*
