“ I am the president of the Celiac Support Group in Topeka and have been for 12 years. Several years ago I met Agnes and have stayed in touch with her since then. I would bring her a GF meal when the support group would have a big fiest or drop by with some GF bread or something for her. She was such a delight to visit with and I will miss those visits.

Sharon Larson, President - Topeka Celiac Support Group

“ To Agnes' Family -- I am a P.E.O. who shared Agnes as a "sister". She served as chapter president 1983-85 and was a mentor to many others in the years thereafter. I just loved her soft-spoken input, perspective & certainly her smile. I have to admit that I haven't seen her recently; but, know she continued to have a wonderful sparkle in her eyes. Additionally, we shared membership in the American Business Women's Association - she was a member of the former Topeka Charter Chapter and I'm a member of the current chapters Ad Astra & Topeka Women's Network. As she down-sized to move into Brewster she gave me an old ABWA ash-tray - of course, to use as a coin-holder...since neither one of us (still?) smoked! A true lady that will be missed. Please take comfort in knowing that she is now in God's hands.

“ To the family of Agnes, what a great lady Agnes was. Her family and my family were good friends at Emmett. Then I worked at the Santa Fe and ran into her quite often and would talk. After she retired I lost contact with her. Then this last summer I was at Brewster Place visiting a friend who also had worked at Santa Fe. While sitting in her room, Agnes walked by and her eyes lit up when she seen me and she had a big smile on her face. She came in and we had a great visit. She talked about the times in Emmett and about my brothers and sisters. What a great memory she had. I promised myself that I was going to get back out to see her, but am sorry to say that I didn't get it done. My sympathy to all her family.

“ I enjoyed getting to know Agnes the last year at Brewster. She was such a sweet person and so gracious about anything we could do for her. I enjoyed her sense of humor the most! Elaine I will miss our time together as I have enjoyed getting to know you. Agnes loved and talked about what a wonderful person you are. Take care and I will be praying for you and your family.

“ Elaine,
I enjoyed having Agnes on the health unit through the years. It was always a pleasure to spend a little time with her and talk about olden days! Her soft voice and loving smile and pat on my cheeks lightened my soul. I know she enjoyed you being there for her! No more worries or sickness or pain she can rest now and fly high again!
