“ *To the family of Agnes, I am so sorry for your loss. I worked with Agnes at Santa Fe and she was such a sweet, kind woman who always had that great smile on her face. She was wonderful to work with. We shared another connection as well, my family was from Emmett too, so we had more to talk about. My prayers go out to all her family and may God comfort you in your time of loss.*

“ Dear Jeff and Jim and families,  
Henri informed me of your beautiful Mom's passing. My heart is with you at this time. I viewed the lovely DVD and it was so poignant and filled with the delightful spirit and zest for life of the remarkable Ag. May God grant you comfort and the blessing of enjoying wonderful memories of your life with your Mom.

“ I think of Ag as such a sweet soul to be missed. I always enjoyed talking with her throughout my years growing up; she was a kind listener and so full of wisdom. And the car trips to Colorado with my mom at 80 mph or more to see us as quickly as possible sure showed her spunk!

“ Jeff and family, I am so sorry to hear about your mom. Mom and her were such good buddies and always had wonderful things to say about her when they worked together at Santa Fe. We lost her a year ago in August so I know she was right there to meet her and welcome her to her new heavenly home. May God wrap his arms around all of you and comfort you at this time. Please know your mom and entire family are in our prayers. God Bless.

“ We just wanted to give out our deepest prayers and thoughts at this time. She truly was a Special person and will be missed. Jim & Ag were not only relatives but were my Mom & Dads best friends. We spent almost one weekend night with them every week. I would make the call to CR26997 and ask who was going to who's house.  
Sorry & Love to all,
