“ I'm so grateful that I was able to share a long overdue catch up talk with my Godmother Agnes while back at my mother's memorial service in March. We talked about quilts and that I never knew how to describe all the colors I'd want. She got a look in her eye and said she may have just the one. I was able to purchase this breathtaking quilt and take it with me (unheard of as Janel said 🤔). It will forever hold such a special place in my heart for many reasons.

Agnes exemplified love and acceptance and will be missed but forever surrounding us with her heartfelt hugs.
