“ *I remember when I was young, back in the days when our family lived at 12th & Clay, that Alan would give me a ride to school on his bike. I always appreciated getting there a little earlier and not having to walk! After we moved away, I lost track of the Bolt family, but have some great memories of playing hide & go seek in the Westar lot next to our house with Alan & Craig and all of my brothers. Losing someone is never easy although I hope you can find comfort knowing that all of you are in my thoughts and prayers. Mary L. Weaver*

“ *Alvina, Doug, Cheryl and Craig,*

Was so sorry to hear about Alan. We sure had a lot of fun in our day. I will pray for Alan and your family in your time of loss, and I know that he is in a wonderful place. With a laugh like his I'm sure he got my Dad's attention and is probably playing pitch as we speak.

“ To the Boldt family,

I would like to express my sympathy to all of you during this difficult time. I know Alan will be missed. Please know that you are in my thoughts and prayers. I always enjoyed visiting with him and I also appreciated the things he helped me with on my house. He had a big old laugh and an ornery streak, but also a good heart.
