“ I am so very saddened to hear of Alex's passing. I just read about it in the Washburn Alumni magazine as I now live out of state so I appologize for the lateness of this note. I knew Alex several years ago when we were in high school. I was interduced to him through a mutual friend, Kyle Morgan. Alex was a great comfort to me during a trying time in my youth and though we drifted apart I have never forgotten him or his kindness. Please accept my deepest condolences.

“ We haven't seen Alex for a long time, since grade school, but remember him fondly. Those years when the kids were young were good ones. We still remember and talk about those days. Seems like a different life, doesn't it? Alex was a good kid and easy to have over at our home. We are so sorry for your loss and know he will be missed greatly.

“ My deepest sympathy goes out to you all for the loss of Alex. Please know that I'm thinking of you and sending you prayers of strength. The Super Session Family has lost another -- this one particularly tragic at such a young age. God Bless.
