

Alexander Servantez

February 7, 2014 - January 10, 2022

Alexander Brian Servantez, 7 years old, of Topeka, Kansas, died following a house fire, Monday, January 10, 2022.

Alexander was born in Topeka, the son of Melissa Servantez. He had attended Randolph Elementary School and was in the second grade at Jardine Elementary School.

Alexander was a social butterfly who loved everyone. He was full of energy. He liked finding bugs, lizards and frogs in his yard. He loved his family. Alexander was the sweetest, ornery little boy!

Alexander's family has been touched by evidence and messages of love, prayers and encouragement.

Alexander's survivors include his mother/grandmother, Melissa Servantez; his sisters, Maleni, Isla and Embyr; his uncle/brother, Brendan Servantez; Melissa's daughter, Selena Escalante (Jose); and many other loving family members..

“ *Our deepest condolences to the family. Alexander always said hello anytime he saw any of us neighbors, which is one of the ways he showed his kindness and zest for life. We hope for the family healing of their hearts and, although he left this physical life way too soon, joy in remembering the love they shared with Alexander. Your Next Door Neighbors, The Webbs*

“ Alexander was a curious little guy who always wanted to know (who, what and why) he always had everyone's attention. I know he is chasing frog's and playing with his loving pet's and keeping all his loved ones in heaven on their toes. I was blessed to have had the opportunity to see and work with him at school. He will be missed and my routine at work/school wont be the same. Fly high little angel you were always an angel even when you were ornery . You will be in our hearts forever!

Love ,

“ Dear Family of Alexander Servantes:

On behalf of your Topeka Public Schools family, we are deeply saddened by the passing of your grandson, nephew and our beloved student, Alexander Servantes. Please know and trust that you are not alone as you journey through this very difficult time. The TPS family, and especially the staff at Jardine and Randolph, are thinking of your entire family. Alexander is described by all who knew him as a student that was full of energy, laughter and joy. He kept everyone on their toes at both schools and our staff loved him dearly. The loss of a child is especially difficult to process and we want you to know Alexander's impact lives on through all he knew at school as we think of his positive, energetic spirit in the halls and classrooms at Jardine and Randolph.

Take solace in remembering the joy Alexander brought to all he knew through his infectious smile. May your positive memories uplift and comfort you and your family. We thank you for sharing Alexander with our school family.

Your family remains in our thoughts and prayers.
