“ *I was broken hearted when I saw Juanita had passed away. I came
to take her to lunch and visited her most summers after she and
Frank no longer wintered in Texas. My Mom and Dad lived near
them both in Topeka and Texas. My parents are buried right next to
them and I like to think they're finally all together again playing
pinnacle.*

“ I knew Juanita through the Keller Reunion in Delia. She was a cousin to us through my Mom, Christina Thompson Bowers. She will be fondly remembered and thought of often. She had such a very sweet and peaceful persona. Thank you for sharing her with the world! May the Lord bring the family peace and consolation at her loss.

“ Knew Juanita through a Club we both belonged to several years ago. She was truly a gracious and thoughtful person. Even after our paths did not cross, she remembered my husband/me with a Christmas card and a birthday card for me. I have very fond memories of our interactions and it is my prayer that warm memories will also sustain you during this time of sorrow. Hers was truly a life well lived. Fran (and Russ) Hunter

“ We enjoyed playing cards with her and sharing meals with her and our mutual friend, Richard. She was a beautiful woman, pleasant and always beautifully dressed. She was thoughtful and wrote beautiful notes to us. She was a great friend. Patricia Koenig and Trisch Stender

“ Juanita was my supervisor when I worked at the Topeka Medical Center, and we stayed friends throughout all these years. I will miss her and her friendly voice when we talked on the phone. We also shared lunches together which I always enjoyed. My thoughts are with her and her family.
