Sonja and I send our deepest regards to you and all at this time. Amador was a great man to work with, but most of all a wonderful friend. He will be missed by many of us, especially at our annual luncheon in Topeka each year.

The KU basketball fan club will miss his support at the games. May God bless you and help you through this difficult time. We will include you and Amador in our prayers.

“ Cristina-Our whole family sends our condolences and prayers. What a kind and wonderful man. I will never forget when my father passed away you and Amador were the first ones in the house-he ran across the street barefooted to check on us when he saw the ambulance. I told him that we just lost my dad and he gave me a great big hug. You are always there and were such a great comfort recently when we lost our sister. I hope you realize that my parents feel like you two have been the most wonderful of neighbor's/friend's over the years. I know my dad used to love talk with Amador. If we can do anything for you, please let us know.
