“ *To the family of Ann Rohan,
You have my deepest sympathies in the passing of Ann. Ann and I got acquainted at KDOT back in 1986 when we were involved in an intense study of the original CAD-CAM Task Force at KDOT. We spent nearly a month in close quarters and it was then that I learned to appreciate her wit, her sense of humor, her intelligence, and her smile. Later on, we got re-acquainted at Ken Berry ball park where we sat in the stands several times and watched our kids and grandkids play ball. Her conversation was always interesting and you could tell she deeply loved her family. I will miss her conversations from the hallways of KDOT to Ken Berry Park.

“ *We love the picture of your mom. That is exactly how I remember her from your summertime visits to Gran's house, around the pool in some 70's bathing suit (in the 70's). She was always a funny person who loved life and lit up a room on arrival.
Take care,
David and Linda*
