“ *Todd,
My prayers are with you and your family. You mom was always one of my favorite "moms" growing up. She was the cool one because she wasn't afraid occasionally let an innocent cuss word slip around us kids while we were playing at your house. And she always had the best snacks.....Please know that I will always think good thoughts and prayers about you and your family.*

“ *Todd and family,*

I worked with your Mom at Litwins in north Topeka. I always thought she was such a wonderful person, full of energy and always told you just what she thought... She always kept all of us in line at the store... She was a wonderful person and my prayers are with all of you at this time... Kathy McPherson

“ Todd, my deepest sympathies on the loss of your mother. She was a very special lady to us all. She knew just how to keep us in line when we were playing together growing up. Your mother was a hard worker but she never let us know how truly tired she was. Sorry I will not be able to be there for the service, but your family and all are in my prayers.
