“ Charlie and all the family-
It was such a shock to us when we saw Arlene's passing in the paper today. We remember so many good times our families had together when we were neighbors and later. We did a lot of things together in the past 50 years we have known you. We always thought of you as very good friends. Please let us know if there is anything we can do and all of you will be in our prayers and thoughts during these very hard times. Remember the good times and love you all shared with Arlene. She was a great gal and good friend.

“ Dear Charlie, I was so shocked and saddened when Lorene called me Tuesday morning. Arlene was so full of life and such a joy to be around, I had no idea she had such a serious ailment. I only wish we had got to know Arlene and her family a long time ago. Unfortunately we will be unable to attend her services but our thoughts and prayers will be with you and all the family.

“ To all the Stroth family, I offer heartfelt condolences. Some of my fondest memories of working at Bell include Arlene. She was so full of life and so very witty. It was a joy to know her, to work with her, and to laugh with her over the absurdities of life. She was truly a gem and I know that she loved all of her family so very dearly. God bless you all.
