“ Dear Family;

On behalf of the Topeka Public Schools District, we extend our deepest condolences as we remember our beloved staff member Ashleigh Boyd, who had a smile and joy that filled the halls of Lowman Hill. She was such a positive spirit, staff in her school and across the district knew her, families adored her and her students saw her as a loving mother figure to them all.

There are times when you meet some people and you feel you have been in the presence of an angel, she's one of those people. Even the uplifting Disney music she enjoyed reflected the joyful energy she met anyone who entered her class with. Being in the presence of such an uplifting, loving young woman was truly special and her gift to teach was extraordinary as she led with love and grace. Her impact on her 2nd graders forever changed their lives and the lives of everyone around her.

Please know that your Topeka family is thinking of you. It is my personal prayer that you are comforted as God welcomes a good and faithful servant home. May your positive memories of a strong-hearted and beloved staff member, mother, daughter and friend to many, uplift and comfort your family. May God's grace strengthen and comfort you through this difficult season. Ashleigh will forever be remembered at Lowman Hill through a memorial tree we will place in her honor. We loved her dearly as family and our love is extended to you and your family to support any needs you have.

Sincerely,

*Dr. Tiffany Anderson

“ We first met Ashley at the Dover Cafe where she was a waitress. She always greeted us with a friendly, happy smile as she did all of the people who came there. Soon after, I met up with her at Auburn Elementary School where she helped so many kids in so many ways. Everyone loved her being there. Our thoughts and prayers are with her family during this difficult time. 🙏

“ I still can't believe this heartbreaking tragedy. It doesn't seem very long ago when I was helping her with homework or we went on our first "sister date" or we sang along (poorly) to the radio doing dishes in the kitchen. Extra love to her sweet daughter! - Erin (and Preston) Lutz
