“ *Barb was so beautiful. She will be missed greatly by everyone who was blessed to know her. I am especially thankful for her gesture of kindness towards me. Her career as a model was short only because she had different goals in mind. She raised a wonderful family. You all are in my prayers.*

“ *Barbara was a very beautiful person inside and out. She cared about people and was ever growing in her relationship with the Lord. A very anointed woman of God. She share her life and resources with people and touched my life in a very special way. I know she is very happy now and still encourages us to continue on. I thank the Lord for being able to have met and fellowship in the small window of time I was allowed to. Family please be encouraged, I know it is difficult and time will ease some of it-but you know where she is and you can't beat that!*

“ *How much Barbara will be missed. She was an encouragement to all and challenged us to come up a little higher. I especially remember a time, not long ago, when she was praying for the healing of my back. She gently laid her hands on my shoulders and straightened them; then she moved to my ribs and lifted them. That touched my heart and has continued to be a sweet challenge. I read a piece a couple of days ago that made me think of Barbara; that she went unrecognized by the world – their loss. That we are privileged to have known her and received from the bounty of her heart, from the expressions of Heaven in and through her.*

“ Rev. 7:14-17 And I said unto him, Sir, thou knowest. And he said unto me, these are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb. Therefore are they before the throne of G-d, and serve HIM day and night in HIS temple; and he that sitteth on the throne shall dwell among them. They shall hunger no more; neither shall the sun light on them, nor any heat. For the Lamb which is in the midst of the throne shall feed them, and shall lead them unto living fountains of waters; and G-d shall wipe away all tears from their eyes....May G-d strengthen you and encourage you in this hour....
