“ I love and miss you. We think about you every day. Your fire, humor, bossypants confidence, love, cooking, care, holding your hand, fishing, card playing. To one Joker, from another.

“ Ray, Mike, Jeannene & Jill: The Trendel family shares in your sadness. We all send our love and best to you. Barb was a great addition to our "extended" family. What I remember the most was the great freindship she extended to Mom and Dad through the years. The four of them always had a great time! Most of all I remember her smile, positive attitude and liveliness. I always looked forward to seeing her when she & Mac visited Mom and Dad. She was a special person indeed. Our thoughts a prayer for peace come your way. Steve Trendel

“ We were neighbors of Barbara's many years ago, and wanted her family to know what a joy it was to have such good friends right next door.
Ray and Barbara were like second grandparents to Zachary. He still talks about the horse back rides. Please know you all are in our thoughts and prayers.
