“ Andy, I am sorry for you and your family with the sudden loss of Barbara. I enjoyed getting to both of you last year in RCIA. She is a light that will be missed. I was planning on coming to the memorial, but I am home with the flu. I will be praying for you.

“ Dear Andy and family,
I was deeply saddened when I heard of Barbara's passing. Please know that you are in our thoughts and prayers. Your wife was a beautiful person and the love she had for the unborn was so wonderful. My mom loved her very much and when my mother passed you both were such a blessing to my family. Now they are rejoicing together with our Lord and Savior. God bless you all and know that my family is praying for you. Hugs to you all!

“ I was shocked to see Barb's picture in the obituaries while looking for another's! She was a blessing and an encourager to me in her role as Director of CWA, and as others have said, her love and fight for babies was unequalled. She was greatly loved and will be greatly missed, but I know she's in her Heavenly home now, reaping her rewards for a life devoted to the things of God, and more joyful than ever! ❤️🙏

“ Andy and family, although we got to know Barb and you after moving to Topeka a few years ago, we quickly learned about her pro life efforts. I, JuLee got to know her when working on the Encourage A Legislator prayer efforts. She will be greatly missed but I'm envisioning her now playing with all the babies whose names are on that memorial. Mel and JuLee Adams

My phone reminded me Sunday evening that Barbara and Andy would be having dinner with us. I told Ken that Barbara was not coming but that she was feasting at the banquet with her KING 🙌 Ken and I pray His peace and joy fill all of you as we look forward to the day we celebrate with Barbara and our Lord. The Love invested in others is the currency of heaven. I am sure Barbara's account is full 💙🙏

“ I have so many wonderful memories of traveling and praying with Barb. Her heart was totally given over to her Savior. I am grateful to have had the privilege of serving Him along side her. I am thankful for the part she played in my own post abortion healing. O God of hope, fill Andy and the children with all joy and peace in believing, that hope may abound in them by the power of Your Holy Spirit as You comfort and strengthen them in the days ahead. Ross and Nancy's love to you all.

“ Barbara's love for babies, the mommas and the unborn was only surpassed by her love for our Savior, Jesus Christ.
