“ Julie,
I will always remember your mom as a warm and careing person. She had a sincere smile which really helped take away the fear of walking into "the office"--not that I spent much time in the Principal's office...
You have done an amazing job being there for her and taking care of her through an incredibly difficult journey. I'm so proud of you and I admire your strength. Still praying for you all.
Love, Shel

“ Julie,
I will always remember the kind words, smiles, and warmth that your mother shared with all of us at Auburn. She was like having my mom closer during the school day and for that she has a place in my heart. I am so sorry for your loss as I know what a treasure she was to all of us.

God bless you and your family. You will be in my prayers.
