“*Manuel, John and family, I am so very sorry for your loss. I have so many fond memories of this kind and caring lady. Beatrice was such a beautiful soul and so giving of herself. My relationship with her gave me much happiness & comfort. As my own mother slipped further away, Beatrice replaced the need for a mother & made it more bearable. I will always remember her great cooking, chocolate cakes & the laughs we had.*

*Her passing is such a loss for so many. May God bless you all during this difficult time.*
