She was a wonderful woman and great fellow Guardsman. I spent several years drilling with her at the 35th Division in Leavenworth. She also helped me thru the grief from me losing my wife in 1994. My condolences to her family and friends.

“ *I am so sorry to hear of Belinda's passing. I had much contact with Belinda as she started her higher educational pursuit at Washburn University in the 1980s. I was serving as Associate Dean of Students and Director of Veteran Programs and was responsible for her receiving her educational benefits. We spoke often about her educational and career objectives. The Colonel obviously attained those objectives. Belinda will always be classified as one of the most organized, persevering students I have ever had the pleasure to have known and worked with. My condolences to the family who made Colonel Belinda Christian the strong, forthright, progressive woman she was.*
