“*Sorry for your loss Tuny and to the Falley family. I was fortunate to see Bert every week for several years when he brought Tuny into the hair salon. I enjoyed the talks we had, he especially like to talk politics but more so about the grandchildren and their accomplishments. He was a very proud grandfather. I retired last year from the salon and unfortunately was the last time we conversed. He was a true gentleman, family man and a good friend. I will miss my friend. Peace be with you. Kathy Habiger*

“*What fun we used to have with my dad Sam and Bert's dad every summer when we went out to Sugar Lake up by Atchison. We had a cabin there, and could swim, fish, and shoot blue rock. My dad loved Bert, and they hunted a lot together. They would be gone for days to Western Kansas, Nebraska, or wherever there were birds. He will be missed by all, but he leaves a lot of fond memories.*
