“ *Taylor Family, Your mom was such a sweet lady all those years ago when we lived behind you. She brought much joy and laughter to my mom. Mom had few good friends because of her being home-bound. I will always remember when Bobbie pierced my ears (against my dad's wishes) she said, "Now if you feel something running down your neck honey, it's alcohol, not blood." I know you will miss her dearly. Sincerely, Joyce Muller Lampley*

“ To The Family:

*I would like to express my deepest sympathy to each of you.*

*Although we are not acquainted with one another, we are acquainted with the pain when our loved ones fall asleep in death.*

*At Matthew 6:10 Jesus taught us to pray for God's Kingdom to come here upon the earth as it is in the heavens.*

*The fact that the the heavens is peaceful, no sickness, death, etc. is surely a place where we would like to be. So when we pray for these conditions to come on the earth, we are asking God to restore the earth back to its original condition when he created the first Man and Woman.*

*That Kingdom will be a reality here on the earth.*

*The Scriptures promises that the day is soon to come in which death will be no more and that Almighty God Jehovah will wipe away the tears of sorrow from our eyes forever. (Revelation 21:3-5)*

*He promises too that your loved ones, my loved ones and many others will hear his voice and come out of the memorial tombs (graves) to live in heaven-like conditions right here on the earth. (John 5:28,29; Psalms 37:29)*
