“ *I had the pleasure of getting to know Betty at Plaza West. It was always fun to
see her and talk to her about her birds and flowers that she liked. She had a
delightful sense of humor.*

*I will miss her very much, but I am happy that she is in peace and not feeling any
pain.*

“ *Heather & Cheri,
Saw your mother a lot on my weekly visits to our Church
Members staying at Plassa West. She roomed with a resident
Margaret that I saw & would always visit with Betty. Other times she would be
sitting by the birds watching them, & I would say "Hello" . She always had a smile
and still talked
Fondly of her home across from us. It sold again. Took a picture of iher house
and planned to give it to your mother so she could Reminisce but time was not in
my favor. Wanted to
Send our deepest Sympathy.
