“ *Betty was a good friend, years ago, when we were teenagers. I remember spending the day with her, July 19, 1968. The reason I remember the date is because I was expecting my second child, "any day". I started having "twinges" and Betty said I was gonna have that baby! Just before midnight, I gave birth to my second son! Before that- Ethel Ann got ahold of me, through my parents and wanted to know what I knew about Betty "disappearing"- I knew nothing, but I don't think Ethel Ann ever believed me! That's when Betty & Ronnie went away and got married! Betty wrote to me later and explained!!!*

Last time I saw Betty & Ronnie was at my son, Dusty's memorial service. I don't know if they knew Dusty through the Harley business or if they just came because he was a Harley Dude- I never knew if they knew Dusty was my son.

I have nothing but the fondest memories of Betty. I didn't know she was ill til my sister, Sue & niece, Lisa told me of her passing. I'm so sorry cause I know she & Ronnie should have had many more years of sharing the good times of life together. I loved Betty! Our love & sympathy to Ronnie & the boys Ginger (Beightel) & Steve Christian , St. Petersburg, Fla.
