“ *Dear Smith Family,
I'm so sorry for your loss. What absolutely wonderful memories I have of your mom. Lisa and I sitting in her car in the driveway pretending to smoke (bic pens) until she told us to get out. Running down to the church every time the sirens blew. She in her pink robe. The time the roads were bad and she couldn't get her car up the driveway so because she had snow tires on the back, she drove the car backwards all the way around the block and gunned it backwards up the driveway! What a gift we were given to be around her. She definitely lives on in so many of us!
Sincerely,
Julie A. Kern-Kenagy*

“ My favorite memory ? Seeing Aunt Betty's beloved dog Chi Chi laying on 'old blue', which was smoldering and about to catch on fire. That damn dog would not let anyone near her, and refused to move! Just growled at us all, showing her teeth the whole time. Aunt Betty had to intervene, as that dog was loyal only to her. Crisis averted. Hilarious ! Rest in peace, Aunt Betty. I miss you already.
Love you, your nephew Terry.

“ *Lisa & Family,
I am so very sorry for your loss.
My memories of your mother are from when she worked for Dr. Burns.
She was a great story teller. Oh the stories she told about her kids while patients were in the dentist's chair...I was grateful because it allowed me to just relax and listen while getting dental work done.
She was one of the highlights when my family visited the dentist.
Take care of each other and God Bless you!*
