“ Beverly I sure wish I could have know about your battle long before the day prior to you leaving us.. I am very thankful however that I was able to call you that day and speak into your ear my regrets and to tell you how much I love you. You and all your brothers and sisters have always been more like brothers and sisters to me than cousins. Say hello to your mom and dad and Keith for us. See you later. Your cousin Lou Riddle...

“ To All The Family of Beverly Heskett, you have my deepest, heartfelt sympathy. I know how much you love your mom and nothing will never replace the love of your mother. I know how much she loved all of you and she only wanted the best for all of you. I am so sorry for the children losing their grandmother so soon. Whatever I can do for all of you, please let me know. I will be praying for you all.
