“ Our thoughts and prayers for family and friends of Brad in dealing with his loss.

Most of the time I spent with Brad was by the lake, by the grill, or both. All of them great times. I am comforted by the thought that where he is today is beside the water and the grill, reunited with friends and family who have gone before him.

“ My thoughts and prayers go to Brad's friends and family. I worked with Brad at the Water Plant and enjoyed our visits when he would come by my desk. Eventually, the talk would go to KU Sports and I will really miss those times.
