“ Brad was a quiet guy but I could always get him to join the conversation after a bit of talking. Brad was the person to bring music to the EKHA .I remember Brad setting up the speaker system and playing the top country hits. My thoughts are with the Conklin Family Brad will be missed.

Thanks so very much. I will always believe that the 25 years he spent working there were the best years of his whole life! He felt needed, had people who talked and laughed with him, had spending money and much more! He hasn't had that much acceptance since. Has been at Auburn Homestead for nearly a year and he did enjoy that. Thank you and your family for all you did for him. 💕🙏
