“ *I worked with Brenda several years ago at McDonalds and remember her hard work and dedication to her job. And most of all I remember her sweet smile and willingness to listen to what people had to say. I know she will be missed by many individuals and "thank God" we will be able to see her once again when it will be our turn to enter the gates of heaven. My thoughts and prayers are with her family and friends.*

“ *We have been customers at McDonalds for many years until my husband got sick and couldn't go anymore. She always sat down to visit with us which made her the kind of person she was. We are so sorry to hear of her death. She will be deeply missed.*
