“ *Nick and Tammy, There are no words to express the sorrow you must be feeling. Remember God does not give us more than we can handle, though it may not seem so at this time. Always cherish the times and memories you have had with Brenlee and keep them in your heart. You and your families are in my thoughts and prayers.*

Brave and Strong just like her Mommy and Daddy. I pray that God carries you through this and I pray for your continued strength through these difficult times ahead. We all love you very much and we are praying for you.*

“ Nick and Tammy, I am at a loss for the "right words". My thoughts and prayers have been with you and your family during this time. I pray that God is with you, and will walk with you when you feel you do not have the strength. Nick and Tammy, Brenlee could not have asked for better family than the one that God chose to give her. Your support of family and friends seems to be abundant, and that is a blessing!
