“ *Terry & Mark -*

We were deeply saddened to hear of your loss. I remember Brian as that 12 year old who would come over and babysit for Andrew and Adam. We remember our Topeka days and the friendship of our little cul-de-sac fondly and continue to think of you all as family. I know it has been many years since we have seen you but we often think of your family during those summer/spring days when so many of us would gather in the driveways and have neighborhood picnics. Our prayers are with you and Nikki and the rest of your family.

“ *I remember Brian as an energetic worker at a youth work camp a number of years ago. He was always more than willing to help out. Such a loss for someone so young to leave us. Guess we have to believe he is in good hands and serving the greater good. Many blessings from our family to yours.*

“ *Mark and Families;*

I am so saddened by the loss of your Beloved Son Brian; a loss I pray I never have to endure. There are no words to express how sorry I am especially for you, your wife and daughter. I know the loss is immense for your whole family. Even though many years have passed since I have seen any of you, I do have many fond memories of the Strong Family.

My prayer for each of you is that the loving arms of Jesus holds you ever so close and that His Angels surround you as you travel this sad journey called grief. Please know that I will be praying for your whole family.

In His Love,
