“ *I am so sorry about your loss. I attend church with one of Melissa's biggest fans. I too just recently lost a child of my own.(9-10-08 after a brief 2.5 hrs.) Your fan (Bill) was worried about how you were doing. He is aware of some of the ministry projects I have been working on since the loss of Quinton, and would willing to share any of this info. with you and your family, as well as invite you to our support group for parents who have lost a baby. You will be in my heart and in my prayers. Mother of an Angel.*

“ *I wish that I had warm words or encouraging words to offer you in this time of great loss. I don't. I work with words all the time but I do not know the right words to offer you.*

I send you my prayers. Prayers that Caitlyn knows the joy in her return to our Savior. Prayers that you can find peace to help you with this loss. Prayers that each succeeding day doesn't dim your memory, but does dim the pain you feel.

God Bless You And Keep You!
