“ Family and friends of Carol, I am so sorry for your loss. She did an amazing job of taking care of her students at Cap City, but she also took care of us as staff members just as well. Her candor, hugs and smiles were the best. Carol, give Peanut and my Jake a kiss. You are loved and missed terribly.

“ Mrs. C always had a beautiful smile on her face & willing to help others. I enjoyed working with her every day. I enjoyed seeing her in the hallway & chatting with her. She was always pleasant to be around. Sometimes I would order a home made breakfast lunch from her at school & they were the best. I will miss her joyful attitude, lovely smile & hart of gold she had for our students. See you in the next life, Mrs. C.

“ Carol was a one in a million person. Her laughter, stories, jokes were wonderful to my soul and others at CCS. She had that special touch with staff and students at CCS, in which, I will greatly miss. I would share pictures of my grandsons and she would whip out her phone with her grandchildren and how proud she was of their many accomplishments. We would visit about the arrival of her great grand babies and how much she loved them. Carol had a huge heart for her family. My prayers are with you.

“ I am so sorry, my beloved Cordero family, for the loss of Carol. I have nothing but crazy, fun memories with my friend. How we used to close down K-Mart when we went there to shop. All the fun I had going with her every year to her work Christmas party. The time she went with me to Cousins for my work party because I was afraid to go by myself. She was a little nervous too and then when we walked in she knew half the people that were there. Anyone that met our Carol remembered her forever. She was unforgettable and one in a million. I could go on and on with memories. I talked to her several times right before she passed. The last conversation we had, she made me take the time to write down her recipe for chicken cutlets because she knew my son loved em. She was always thinking of others. Every time before when she tried to give the recipe to me I told her I didn't need it, that I would send him to her house for them. I'm so glad she insisted I write it down this time, even though they'll never be as good as hers. Carol was an excellent cook. I will miss you with all my heart Carol. But I know that He shall give his angels charge over you to keep you in all ways. I love you so much and in my heart you will always be my best friend neighbor. Rest in eternal peace. Until we meet again... Becki Balestrere

“ Louie, Joe, Vanessa, and all the family, Jerry and I are deeply shocked and saddened at Carol's death. She was so full of life and appreciation of life it was always a joy to spend time with her. I remember when Anthony was just getting to know you all, he couldn't say enough about Vanessa's grandma — how great and funny she was and how he loved being around her. When we met her, we understood his enthusiasm. She and I anticipated our lives being entwined by our shared great-grandmotherhood — I will miss her wit, her warmth, and that great New York accent. We extend our deep sympathies to you all for you loss. Martha and Jerry

“ Dear Cordero Family:

On behalf of the Topeka Public Schools District, we extend our deepest condolences to your family. We are deeply saddened to learn about the passing of our beloved staff member Carol Cordero, what an incredible woman who filled the halls with such joy, laughter and love at Cap City. Many across the district know Mrs. Cordero.

Ms. Cordero was an incredible woman representing grace, love and kindness in everything she said and did. Her legacy lives on through the countless staff and students' lives she touched over her decades of employment and through her own family members who continue to serve in our community and in Topeka Public Schools. It is clear from her commitment to serving for so long that she loved children and helping people of all ages. Her exemplary record reflects her tremendous dedication and commitment. Mrs. Cordero is a person who entered every room with joy and tremendous kindness towards others. She was one of those people who just lit up a room with joy when she entered in such a memorable way and her very strong accent made anyone who heard her smile. Even her name Carole in the Bible means song of joy when looked up, she was a special spirit in every way!

Please know that your Topeka family is thinking of you and all in the family. It is my personal prayer that you are comforted as God welcomes a good and faithful servant home. May your positive memories of a strong-hearted and beloved staff member and friend to many uplift and comfort your family. May God's grace strengthen and comfort you through this difficult season. Mrs. Cordero will be greatly missed by us all.

Sincerely,

Dr. Tiffany Anderson
