“ *Paula, Diane and Family,
I am so sorry to hear of your Mother's passing. I know you are going to miss her terribly but know that there will come a time when you will laugh and smile when remembering her. You are both perfect examples of "loving daughters" with all the special care you provided for your Mother. Love to you !! Donna, Dan & Cole Lamson*

“ *Carol was such a lovely person, I always admired her style. I missed her so much when she left the lighting business. She was the go to person for years. I know she is in a better place but she will be missed by all that knew her.*

“ *Paula and family,
I was so sorry to read of your Mother's death. She was such a great person, I always enjoyed seeing her around Topeka and getting caught up on your family. I remember buying so many lighting fixtures from her, your Dad and brother when they had the shop on 37th Street. I will miss her.
Fondly, Bobbi Showalter*
