“ Dear Family of Carolyn,
You meant everything in the world to Carolyn. She was so proud of you, carried your pictures with her, told of your achievements. She became like family to us when she took care -- took good care -- of my mother, Gertrude Miller. Mother was cantankerous at times and gave Carolyn some trouble if she didn't want to do what Carolyn planned, but truly loved and appreciated her as if she were her daughter. Carolyn was a friend to me, and made a difference in my life. I will miss her. She was a beautiful person. My deepest sympathy in your loss. Sincerely, Marilyn Thies
