“ *Coty & Jennifer... I am so very sorry for what has happened. I know there is nothing that can be said or done to make you feel any better. I understand the pain of losing a child. I won't pretend to understand your situation, but if you ever want to talk, you have my permission to call me anytime day or night. As you know, we went through this a couple of years ago with our daughter. I wouldn't wish it on anybody, much less you guys.*

“ I'm so glad we got to know Jennifer and Coty in Rooted. It was always fun having all the kids over to play. Back then Carter was always either being held by the women, creating baby fever or was sleeping in his seat. Such a kind family and such a harsh tragedy. I'm sorry for your loss and you are in our daily prayers and thoughts.

“ I'm so very sorry Jennifer and Coty. You may not remember but at our last soccer game, I watched Carter while you ran Charlie to the restroom and even though this wasn't much time he brought so much joy to all of us! We played with the wagon handle up and down and laughed together. I remember thinking how happy he was!!! God was with him then and is with him now, that hasn't changed. I am praying for your family. We love you guys.
