“ My sincere condolences to the Boyle family. I remember Cathy as a warm and caring mother who was supportive of her children. Through their sports injuries I had the pleasure of meeting and treating Rick, Cindy, and Becky. What a great family. May God bless her family at this difficult time. Dr Pete Lapse

“ Patti and I were so saddened to hear of the passing of Mrs Boyle. She is a very special and devoted wife , mother , grandmother and servant to all who knew her. She welcomed our BB teams into her home for dinners and was such a gracious host. Mrs Boyle may be gone from sight but will remain in our hearts forever. God bless her family Mike &Patti Goehring

“ I am so sorry for the loss of your loved one. I remember how kind, caring and patient Mrs. Boyle was with all the students that came into her nurse’s office at Avondale East Elementary where I taught PE. I always felt welcome as well to come into her office for a quick chat that was usually on the topic of Track or Cross Country. 🙏❤️

Patty Gillin - October 13, 2023 at 04:16 PM

Thank you so much for your message. We love to hear about the impact our mom made in the lives of others. No surprise that track and cross country were common topics because she loved all things running! -Becky (Boyle) Dodge

Is this Katie Boyle who was the elegant dance partner to Jason Colachino? I'm truly not asking to be rude or insensitive but to say I have never seen a human being dance that way. Her body moved like it was on ball bearings and her grace, sophistication, and sensuality leaps from the videos. THEY TRULY WERE A MAGNIFICENT COUPLE. AND I WANTED TO EXPRESS MY CONDOLENCES ON YOUR LOSS. We have all lost in different ways now haven't we?
