“ Lou, Shirley and Larry,

I'm so sorry to hear of the loss of your mom. I remember her as such a wonderful lady! She raised some amazing children who really touched my life. Lou, you took me in as an underclassman friend in High School, and Larry was my handsome prom date and boyfriend before he left me behind for college. Shirley was a calm and even keeled classmate and friend who never got involved in all the "girl" drama. I bought my first (and second) car from your dad.

It was always clear that your mom was the glue of your beautiful family. I love the picture of her. She hasn't changed since I saw her thirty-some years ago.

I will be keeping all of you in my prayers and so thankful that you were all there with her when she passed. I'm sure that was an amazing peace for her.

“ Lou, I just read about your mom's passing. I am so sorry. I think back to the "Disco Days" when I worked with you while going to Washburn, and when I worked with Terri on various committees in my Public Health position.....both of you were delightful and had to be a lot like your mom! My thoughts and prayers are with you.....Kathy Wade Gordon (Maybe we can share more over a cooffee instead of just parking lot visits)

“ Terri and Family,

I hold you all in my heart as I remember little things I've learned about Kay over the last few years. Like that she had strength and fortitude to face whatever was ahead of her. A gift I know that she passed on to her children as I see it daily in Terri and through her stories and pride in all of her siblings. What a wonderful thing to be a part of a life so full and so determined. I wish you all peace and love as you spend this time together sharing those memories and gifts she has given you.
