“ *Ron,*

*Cathie was my best friend for years. Bob and I tried to stay in touch and never knew of her passing...until today. I often wondered why there was never a returned phone call or letter. I feel terrible for your loss.*

“ For over six years I worked the same desk as Cathie except in the afternoon at the Kansas State Historical Society. Cathie was a good worker and a good friend - I've missed her the last year and will continue to miss her. My prayers are with you in this time of need.
