“ Linda, Jamie, & Janelle, I wish could have been there with you at such a terrible time in your life. To lose a loved one is like no other thing on earth to go through. I loved Charlie like a brother. We grew up together and grew a part over the years. But, Helen always would be sure to let me know what He was up to from the funny squirrel story to what the grandkids were up to. I know you will miss him deeply. But, just rememeber you have a life time of wonderful memories and hold them close to your heart. With the deepest of Sympathy and love. Juanita Miller Robinson

“ I was shocked to see this, I am so sorry to hear of this loss, Charlie was a vivacious man and I will miss him. I never heard him say a rotten thing about anyone and he was so positive. I feel very thankful to have known this man. There is nothing I could say to make the pain easier, but I do pray for your family and wish you the best.

“ I worked with Charlie at Goodyear, and later he helped me find something at Westlake. He was a great friend and such a shock with his passing. We were always talking about the squirrels we each had in our yards. He will be greatly missed by all. Our prayers go out to his family. God Bless

“ To all the Grover's what a shock to hear of Charlie's passing. I remember the beautiful yard he kept on 43rd. He was a great guy and will be missed by all. When we saw him and Linda not that long ago at Dan's shop he seemed so full of life. May the many memories help ease the pain. You are all in our thoughts. With deepest sympathy Dan and Tammy Wiltz

“ Linda & Family, I referred to Charlie as "Uncle Charlie". Even though he was not by blood, he was by heart. This is a shock to us all. All my cousins send their love & condolences. I wish all of you peace & comfort in days to come. I know he is in Heaven with CJ, Grampa Charlie & my Uncle Joe playing the best golf game they have ever played. Much love & prayers for y'all.
