

Charli Kaye Howard

February 21, 2012 - May 14, 2023

Charli Kaye Howard, 11 years old, Wamego, Kansas, passed into the arms of Jesus on Sunday, May 14, 2023.

Charli was born February 21, 2012, in Topeka, Kansas, to Scott and Mary Roush Howard. She attended Farley Elementary School through 4th grade and was in the 5th grade at Rock Creek Middle School.

Never has a child said more than by saying so little. Charli was small but mighty with a feisty nature and never left any doubt about her unmatched determination. She always knew how to coerce those around her into what she wanted and leave them with a precious crooked grin as evidence of her scheme. She lived like we all should – finding joy in small things while steadfastly remaining carefree and trusting in those around her.

Charli accomplished and overcame so much in her short life and left an indelible mark on everyone she met. She was a world-class snuggler and loved those she knew hard and those that knew her loved her just as hard. To those who knew her well, she was a hero.

Grateful to have shared Charli's life are her parents, Scott and Mary Howard; her siblings, Christal, Makayla and Kate; and many aunts, uncles, and cousins. She was preceded in death by her grandparents, Sam and Janice

Roush and Charles "Chuck" Howard and Sharon Howard Zimmerman.

Charli's family will greet friends from 5 to 7 p.m. Thursday, May 18, at Kevin Brennan Family Funeral Home, 2801 SW Urish Road, Topeka KS 66614. Funeral service will be 10 a.m. Friday, May 19, at Fellowship Bible Church, 6800 SW 10th Avenue, Topeka KS 66615. The church will be livestreaming Charli's service at <https://vimeo.com/event/3412257>.

In lieu of flowers, memorial contributions may be made to the Auburn Washburn Foundation to benefit students with special needs, and sent in care of the funeral home. Condolences may be sent online to www.kevinbrennanfamily.com.

“ Sweet Charli Kaye! You have been the heart of your family since the day you were born. A true hero...peace be with you Charli!

Mary, Scott, Crystal, MaKayla and Kate...we loved your Charli!
Peace love and prayers cover you all!

Julie Patterson - May 16, 2023 at 03:36 PM

KW

While we didn't get to meet Charli in person, we can see the impact she had on Scott and the love he has for her and his family. We will all try to learn from Charli by "Finding the joy in the small things".

We are thinking of you all. From the MAPS work family and Kerri.

MO

Our boys shared Ms. Kennedy's 'power room' with Charli and wanted to share their thoughts and well wishes for her family. I cannot fathom losing a child, but believe she might have an easier existence now, outside these earthly limitations and challenges. We're all thinking of her family and sending warm wishes of comfort through the sadness of loss and hope reflection of the happy memories ease some of the pain.

*Take care,
The Burnett Family*

KS

Charli - I "met" you while you were still in your mommy's tummy. What a beautiful miracle you were! Your Mom, being the amazing woman that she is, had volunteered to help my son, Jesse, read -- and she had to tell me about this amazing/surprising/miracle pregnancy and she wouldn't be able to teach the full year. Oh how we all celebrated you! How so excited we were to meet you -- and you immediately charmed us all! You picked the most perfect family, Charli. All those amazing sisters and the best Mom and Dad in the world. We all laughed at your Mom's crazy tales - and we all loved you, cheered for you and believed in you. And Charli - you didn't disappoint. You accomplished everything you were meant to -- you brought so much love, joy and happiness to all. And beautiful stubborn Charli. You were perfect. Now, we will help your Mom, Dad and sisters try to move on -- not without you, because you will always be here. A part of you in so many of us...but we will be friends who will help lift your family to their feet when their own wings have trouble remembering to fly and be carefree and love endlessly. Fly free Angel Charli -- we love you. Kim and Jesse
