“ *Tina,
I am so very sorry to hear of your mother's passing. Though I never met her, you always spoke fondly of her, especially when talking about her and Jaccyn's relationship.*

“ So sorry to learn of Charlotte's passing. I remember our days on the softball field playing for McAbee's Body Shop. She was like the Mother of our team as she was older than the rest of the players She wore her knee braces but was never to be fooled on her ability to play as she was one heck of a ballplayer. One Summer our team decided to play in a Labor Day Tournament. We were in the lower levels than any of the other teams but we had high aspirations and a lot of grit. Charlotte was one of our biggest team cheerleaders for this Labor Day double elimination tournament. We lost our 1st game and had to come back and ultimately won all of the rest of our games clinching the title for the entire tournament We were like a dream team and Charlotte was our dependable hitter and infielder. We had so much fun! I ran into her not long ago at HyVee and we reminisced in the parking lot about our years of playing ball and caught up. I will not forget her, sweet lady. Until we meet again my friend, rest in peace.

“ Sorry for your loss Laura, Tina, and family. I worked on the same team with Charlotte for many years at the Coast Guard Pay Center. She was always the voice of reason concerning problems that arose at the pay center and I also appreciated her advice as I raised my own children.

“ Tina and family— your mother was so funny, sweet, and so smart when it came to programming Coast Guard programs. She was one person who could solve any retired pay issue. We are so sorry for your loss, and will miss her humor for sure. She is playing golf in the heavens for sure.

“ *Laura and Tina, I'm so sorry to hear of your mom's passing. I only briefly met your mom when I would pick one of you up to babysit my 3 children. I know she was a wonderful lady because she raised two wonderful girls. I could always trust both of you with anything. Later I met up with Tina again in another capacity where she helped me tremendously. Prayers go out to both of you and your entire family as you mourn your mother's passing.*
