“ For Bill and Family - As we're sure you must be, we are shocked to learn of Chris's sudden passing. She was far too young to leave this world and we're so sad for you. You must be reeling, so telling you that you'll "recover" will not even register. Rather we would like to say that you'll be in our prayers with the hope that fond memories will soon replace at least a little bit of the emptiness. God bless you and your family.

“ Bill,

When Cindy called me to tell me Chris had been taken to the hospital by ambulance and later that she was in ICU, and then another called that she had passed, I was in total shock. How does someone go from being so vibrant to not being with us in a matter of 48 hours? My thoughts and prayers go out to all of you for the loss of your loved one and my friend.

“ Bill and Family:
This morning Norma and I received a call from Butch Gerlach telling
us of the passing of Cris. I don,t quite know what to say as this is
such a shock as it is to all of you. Our prayers go to you all at this
time of your grief and you especially Bill as this is a time of why and
disbelief.
Norma and I will not be able to be with you as we are out of town
and this is very hard for both of us not to be there for any support
that we could give.
Again our thoughts and prayers for you all and
especialy Chris who God will take very good care of.

“ Bill, so sorry to hear about Chris. Peggy called me and what she was telling me was so shocking & unexpected. I know you must be in shock and having a hard time. Wish I could help. You know, you will feel better eventually and your memories will always be there. You have to get thru the hard times one day at a time. We used to have a lot fun together. Hang in there - know that you and your family are in my thoughts & prayers.
